#### About Dance Mobility:

Dance Mobility is Michigan's only wheelchair ballroom dancing program for adults and children with physical disabilities. Dance Mobility class is for people with disabilities (people in a wheelchair, amputees) and people who like to participate as a volunteer. The Dance Mobility program offers FREE monthly group dance lessons in a supportive environment while promoting physical, social, and emotional well-being. All classes are taught by professional ballroom dance instructors who are trained to teach and work with people with both disabled and able bodies and hosted at Fred Astaire Dance Studios. All Dance Mobility classes run from 11:00 am to 12:30 pm and classes are held at the address: Fred Astaire Dance Studio - Bloomfield Hills, 2172 Franklin Road, Bloomfield Hills, MI.

#### About the First International Para Dance Sport Competition in the USA:

The first international Para Dance Sport Competition will be held in Dearborn, Michigan on Aug 10 and 11, 2024. The competition was established in collaboration between Dance Mobility and the Rehabilitation Institute of Michigan (RIM) Foundation.

- More than 100 athletes from over 20 countries have been confirmed to participate in the competition. Those countries include but not limited to Netherland, Austria, Hungary, Canada, Philippines, Finland, Hong Kong, Italy, Japan, Kazakhstan, South Korea, Mexico, United States, Poland, Slovakia, Slovenia, Ukraine, Taiwan, Prague, and many others.

#### About RIM Foundation:

The Rehabilitation Institute of Michigan Foundation (RIM Foundation) was established on December 19, 2013 in a reorganization of the former Rehabilitation Institute of Michigan, Inc. The reorganization became necessary after the December 31, 2010 sale of the Detroit Medical Center to Vanguard Health Systems, Inc. The donor-restricted assets were held separately in the transaction and maintained by Legacy DMC. Also on December 19, 2013, a Charitable Asset Transfer Agreement was executed to transfer control of the donor-restricted assets from Legacy DMC to the RIM Foundation.

- The vision of the RIM Foundation is "A world in which every person with physical and cognitive disabilities is empowered and inspired to reach his or her highest quality of life."

- The mission of the RIM Foundation is to "Elevate the mind, body, and spirit of those with physical and cognitive disabilities by uniting them with world-class people, resources and solutions." The RIM Foundation is grateful for the donors that allow us to help people manage the impact of illnesses and injuries, fund research and provide programs that get people moving and ***Go Beyond Impossible!***

- ***The RIM Foundation*** "propels those with physical and cognitive disabilities through recovery and beyond."

#### Role of RIM Foundation:

Both Dance Mobility and the competition are sponsored/funded by the Rehabilitation Institute of Michigan (RIM) Foundation. Without the support from the RIM Foundation, both Dance Mobility and the competition would not have been made possible!
