

## Discussion Doc

### Cleaning Windows

**Walt:** put ourselves into the story.

#### Task

Work on this Doc together with a partner or in a 3.

Why do you think “just hosing” the windows doesn’t work very well?

Think of building in Auckland you think would be hard to clean in Auckland and insert a picture of it.

Of the ways that Mr Lilley describes, which way would be the **best way** to clean the building you chose?

Of the ways that Mr Lilley describes, which way would be the **worst way** to clean the building you chose?

Why would a fear of heights make this job hard?

Each explain a time that you have been afraid of heights.

Why do we need window washers?
