!!!!We're so excited to share our new Legacy Kick-Off Bonuses 🏆🌟 This is extra money you can earn just by growing what you're already doing. I'll break it down simply below and attach the full FAQ if you want details!!!!

Quick definitions (if you're new here):

- **OV** = total group sales volume (your sales + your team's sales)
- **Ranks** = milestones you hit as your business grows (think levels, not titles)

Here's how it works:

If you've never hit the rank "Black Olive" before:

That's your January goal.

To qualify for the new bonus, your OV goal is **\$6,250, which represents 25% growth.**

If this would be your first time hitting any new rank:

Same rule applies. Your organizational volume needs to be 25% higher than your previous best to earn the legacy bonus.

If you've already hit one of these ranks before: Black Olive, Olive Star, Green Olive Star, Violet Olive Star, Silver Olive Star, or Gold Olive Star...Your focus is to re-hit your October 2025 rank and grow past it by 25% in volume.

Example:

If you hit **Violet Olive Star** in October 2025 with \$35,000 in OV, your January target would be \$43,750 in OV (that's 25% growth).

If you enrolled after October 2025: Your starting point is December 2025 instead.

If you enroll in January 2026: You can still earn the first bonus by hitting Black Olive with \$6,250 in OV (Currently for US & Canada but subject to change for EU, UK & IRELAND)
