PETUNJUK

1. This student consultation book contains a track record of the mentoring process and active participation in colloquia/seminars of students in the Doctoral of Aquatic Resources Management (MSDP) Program.
2. Students must communicate with their Promotor regularly, at least eight times per semester, starting from the second semester (GUIDANCE LIST).
3. Students who will participate in the colloquium must have attended at least six similar examinations, and those registering for the results seminar must have attended at least ten (COLLOQUIUM/SEMINAR ATTENDANCE LIST).
4. Students who will register for the results seminar must have at least one Letter of Acceptance from the required number of publications.
5. Students who will register for the thesis defense must have met the required number of publications in accordance with the provisions of Diponegoro University Rector's Regulation No. 5 of 2020 concerning Academic Regulations for Postgraduate Education at Diponegoro University.
6. The minimum study period for Doctoral Program students is 2,5 years and the maximum is 6 years. Specifically.
7. Supervisors are responsible for reporting the progress of their supervised students to the Study Program administrator within one semester (CONSULTATION CARD).

Publication Terms:

- 2 Reputable International Publication (Q1-Q4)

GUIDANCE LIST
