

NB History of Sports Enrichment Camp

Incoming 7th-12th grade students are invited to connect with one another as we discuss the history of sports. In this camp students will examine the development of sports through various historical perspectives. Students will examine the historical context as well as the significance of national identity, race, gender, ethnicity, class, business, politics and current issues through readings, primary sources, audio and visual materials as well as discussions. Students will have an opportunity to focus on topics that they find interesting, while gaining a better understanding of the world around them.
