

We Like Summer TEXT

By Amy Shepherd M.Ed. for students with Visual Impairments and CVI.

Further reproduction or distribution in other than a specialized format is prohibited.

Salient Features: Sun, Bird, Bucket, Pinwheels, Butterfly, Bee

We like playing in the sun.

Salient Features: The sun is round and appears to have a yellowish color with glowing scalloped light beams.

We like blue birds out for fun.

Salient Feature: Birds have beaks, feathers, two wings and four claw toes. This is a Blue Bird.

We like buckets filled with sand.

Salient Features: Buckets are open, cylindrical containers with a handle.

We like pinwheels in our hands.

Salient Features: Pinwheels have a long stick with shiny, colored leaf shaped vanes that form a circle and twirl in the wind.

We like butterflies.

Salient Features: Butterflies have a thin body, antennae, and wings.

We like bees.

Salient Features: Bees have a striped body, wings and 6 legs.

We like summer and summer likes me!
