課程介紹：

This will be a discussion and conversation based English course. We will provide the tools and atmosphere to give the students a proficiency in English related to current events and hot topics. Each class will feature discussion and vocabulary of an article of a relevant topic or issue. We will allow ample time for each student to discuss and practice usage of the vocabulary and show how these words and phrases can be used in the students' daily lives.

上課時間：星期六 18:30-20:30
