

Ditson Back to School Night

9/17/2025

6:00 pm - 8:00 pm

Dear Ditson School Caregivers,

We are excited to invite you to our upcoming Back to School Night on **Wednesday, September 17th, from 6:00 PM to 8:00 PM**. This evening is a wonderful opportunity to meet your child's teachers, learn about the curriculum, and ask any questions you may have. *Please be reminded that Back To School Night is for you to gather general information to learn more about your child's daily schedule both in and out of the classroom and **is not a night for conferencing about your child's progress**. Our teachers are getting to know your children and are not quite ready to comment on their progress, however, please know that if you have any specific questions or concerns, you can always make time to meet with the teacher on another day and time. Lastly, know that there is no parking on the bridge for safety reasons. We look forward to seeing you on Wednesday!*

This year, we will divide the evening into two sessions based on last names.

This event is not intended for students, it is for caregivers only.

6:00-6:25	Explore in the Cafeteria: - Please join us in the cafeteria, where you will have a chance to meet our support staff and learn about their curriculum. We hope this format will help reduce traffic congestion and parking issues, as well as ensure that all families have an opportunity to attend.

We understand that some families may need to attend both sessions due to multiple children. Please do your best to adhere to your assigned time. Please let us know if you encounter an issue.

We look forward to seeing you there!

Sincerely,

Victoria Hatem and Caitlin Barry
