Responsibilities:

- Develop creative concepts and storyboard ideas for video projects
- Design and produce engaging video content, including but not limited to promotional videos, video tutorials, video trailers for events by editing, compositing, and adding visual effects
- Create realistic CGI (3D + Real Footage)
- 3D Camera Tracking & Match-move
- Utilise motion graphics techniques to enhance visual storytelling and create engaging animations
- Keep abreast of the current video trends by incorporating the latest styles, techniques, and narratives into advertising campaigns to ensure content is fresh, relevant, and engaging
- Perform any other ad hoc tasks

Candidate profile:

- Degree in Media Communications, Animation (2D + 3D), Illustration, or a related field
- At least 5 years of experience in a similar position
- Working knowledge of Adobe Photoshop, Adobe Premier Pro, Adobe Illustrator, After Effects, Adobe Audition, Audacity, Camtasia Studio, PF Tracking, Blender, Cinema4D, Mocca is required
- Working knowledge of Autodesk Maya / Cinema4D / VFX & CGI /Post Production / 3D Camera Tracking / DSLR Camera Operating is required
- Working knowledge with sound/audio design and SFX/sound composition, using Adobe Audition or other high-end audio software
- Experience in utilising AI tools for video creation and editing, enabling the efficient production of high-quality content will be considered an advantage
- Experience with creating videos for various channels (YT, TikTok, Meta, etc.) and monitoring video engagement KPIs (view rates, conversion rates, etc.) will be considered an advantage
- Only applications accompanied by a relevant work portfolio will be taken into consideration
- Strong video editing, motion graphics and sound skills
- Proactive, efficient, and creative
- Excellent verbal and written communication in English

Our offer:

- A certified Great Place to Work® reflecting our commitment to a positive culture, employee well-being, and support
- Welcoming, young and multicultural team with approachable leadership
- Ability to contribute to dynamic business at a growth phase
- High level of autonomy, support of ideas and putting your expertise into the best practices for the company
- Continuous personal development, training budget, growth with the company and opportunity to learn from industry leaders
- Competitive remuneration, regular salary reviews and performance-based incentive schemes
- Vibrant company life: from team activities to global celebrations
- New beautiful office in an easily accessible location with company-provided fruits, breakfasts and lunches
- Free access to multiple sports and wellness facilities across the country
- Free company-provided parking
- Medical insurance and pension fund after probation period
- A gift and a day off on your Birthday
- Visa and work permit support if required

Journey to FP Markets:

- Interview with People Function member (30 - 45 min) to assess match to our culture
- Interview with your future manager (45 min - 1 hour) to assess match to the job and the team and discuss role expectations
- An assessment to evaluate your technical skills [if required]
- Final interview with team members [if required]
