 - Any obscene, vulgar, or abusive gestures as well will not be tolerated, and will also be met with extreme action.
- Each driver is responsible for his or her own kart conforming to the rules and regulations of the class they are entered in.
- All trash in a driver's pit area must be picked up and placed in the appropriate trash can.
 - If trash is found in a driver's pit area after the driver has left the premises, he or she may be subject to penalty from AMP.
 - Penalties will vary incident-to-incident based on the severity of the issue.
- No parent, spectator, or any other person not driving on track may enter the track.
 - ALL spectators must remain behind the tire walls and fencing.
 - Spectators who violate this rule will be subject to disqualification if they are competing as well as ejection from the facility.
- Fighting is prohibited. Drivers participating in a physical exchange are subject to ejection and a lifetime ban from Atlanta Motorsports Park.

➤ Age Restrictions

- Unless prior consent is given through a manager, all drivers must be sixteen years or older with a valid driver's license.
 - Exception: For drivers who own their own karts, drivers may be on track at as young as five years old.
 - Lying about one's age in order to drive or ride is met with extreme repercussions.
 - Our age restrictions are simply due to insurance policies, as if it were our way everyone could race.

➤ Rough Driving

- AMP does not condone over aggressive or dangerous driving and harsh penalties will be issued if such driving is completed.
- While our rental karts do have bumpers surrounding them, they are meant to protect the frame, NOT to be used in close racing.
 - Drivers who refuse to adhere to this rule may be subject to penalty, ejection from property, as well as bans from premises.

➤ Smoking

- AMP prohibits smoking in the upper paddock of the kart track due to the close proximity to high octane fuels.
