2018-2019 School Year			
District Goals	Goal 1 Understanding that all students have diverse needs, backgrounds, and approaches to learning, we will integrate tools and structures to appropriately challenge and enable students to realize their full potential.	Goal 2 Embracing a rapidly changing world, we will empower learners to assume active roles in their communities, to face and engage global challenges and to contribute proactively toward a more peaceful, just, inclusive, and secure world.	Goal 3 Recognizing that children need to balance physical, social, emotional and academic needs, we will maintain a supportive culture and build structures for the health, safety, and well-being of the Whole Child.
