

## Movie Monster Master List

Hello, and welcome to the Movie Monster Master List! The goal is to eventually have a list of all movie monsters that can constantly be updated. Please note this is a work in progress. Monsters will be sorted by categories such as kaiju, vampires, werewolves etc. The reason for doing this instead of just saying “vampire” and “werewolf” as monsters is that both monsters differ vastly between films. For example, the werewolves in Dog Soldiers are very different from the werewolf in The Wolfman. Each individual monster will be sorted *alphabetically by the movie it originated from*. It is also to be assumed that in a movies sequels/reboots/remakes, the monster remains the same. Hopefully this will become something great! If you have any suggestions or issues with the list, send a PM to [/u/obradbrad](#).
