WHEREAS, DSA is committed to creating a space that is welcoming and inclusive to members of all genders, races, and classes. To ensure that everyone is able to organize without fear of harassment, abuse, or harm, DSA adopted a Harassment and Grievance Policy through its Resolution 33 which the 2017 DSA National Convention passed.

WHEREAS, pursuant to the National Resolution 33, the Metro DC Chapter adopted its own Harassment and Grievance Policy in 2017. See 2017-10 Resolution 2 here.

WHEREAS, through this program of offering a grievance procedure to all participants in Chapter programs, administered by our Chapter and National Harassment and Grievance Officers (HGOs), our Chapter expresses its commitment to assuring that everyone is welcome at all Chapter activities.

WHEREAS, both the National and Chapter Harassment and Grievance Policies require HGOs to make annual reports. See National Resolution 33, Section 2(d)(iv) which states that HGOs will:

iv. Compile a yearly report that details:

1. *How many reports were made*
2. *How many were taken to the disciplinary process*
3. *How many disciplinary actions were taken*
4. *Any recommended changes for making the reporting system more effective*

This report will not include personally identifying information [PII] of any parties in any dispute. The local HGO(s) will send the yearly report to the national HGO(s) no later than January 1 of the new year.

See also, Chapter Resolution 17-10-R02, Sections 2(4)(6) and (7) which state that HGOs shall:

6. Compile a yearly report that details:

1. *How many reports were made*
2. *How many were taken to the disciplinary process*
3. *How many disciplinary actions were taken*
4. *Any recommended changes for making the reporting system more effective*

7. This report will not include personally identifying information of any parties in any dispute. In accordance with Resolution 33, passed at the 2017 DSA National Convention, the local HGO(s) will send the yearly report to the national HGO(s) no later than January 1 of the new year.

WHEREAS, the process of making Annual Reports is necessary to evaluate the effectiveness of our HGO

program. As a democratic organization, HGO Annual Reports need to provide effective information in order for the Chapter to determine if the HGO program is functioning properly, and if any changes are needed to effectuate our commitment to assuring that everyone can participate in Chapter programs without harassment, abuse or harm. It is the essence of praxis that we evaluate our activities with an eye toward looking for ways to improve our future actions.

WHEREAS, the Metro DC Chapter of the Democratic Socialists of America seeks to maintain the privacy of our members seeking to make use of the Harassment and Grievance Policy and encourage its use where needed.

WHEREAS, the National HGO has published three annual reports, for 2018-19, 2019-20, and 2020-21 and made them available to the public through the National web page. Before the 2020-21 annual report was finalized, the National web page disclosed that it was not yet finalized. The publicly available National HGO reports exemplify how an HGO program can make informative reports without disclosing any PII.

WHEREAS, information required for the Annual Report to National HGO should be supplemented to provide greater context with which to judge the efficacy of the process.

WHEREAS, the Steering Committee of Metro DC DSA is a representative body and is positioned to review the efficacy of the Harassment and Grievance process and chapter HGOs, maintain appropriate confidentiality and assess the suitability of posting the Chapter's Annual HGO reports on the Chapter's web page.

THEREFORE BE IT RESOLVED, that:
