Invitation to participate in a research study

Title of Study/Research project

Dear Sir, Madam,

You are invited to take part in our enter description of activity

What is inclusive design?

Inclusive design is a way that we can design digital applications without excluding people.

We have written information on our project and also made a consent form which you can read and decide if you would like to take part.

Thank you,

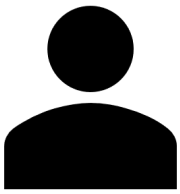

Names of researchers

I have read *or watched the video* and understood the **Information Leaflet** about this research project. The information has been fully explained to me and I *have been able to ask questions. I am happy with the answers I have received.*	
I understand that I don't have to take part in this study and that I can opt out at any time. I understand that I don't have to give a reason for opting out and I understand that opting out won't affect me.	
I have been given a copy of this completed consent form for my records.
