

5/4/26 Meeting Minutes

So much excitement in preparation for the next activity! Scouts gathered close as they witnessed portable FIRE. The scouts were shown a few different portable stoves and how they are to be operated safely. Leaders were kind enough to provide some papers with examples of energy dense food and how the "Leave No Trace" principle can be applied on longer hikes.

The current forecast for May 16th shows a high of 82 and no rain (Some chance of Sunday AM rain). Troop Backpacks have been allocated. If your scout needs a backpack, please make sure they tell someone at the next meeting. Several families have spare packs and would be happy to lend those out.

May 16th will be a ONE NIGHT campout. Plan is to go to the Poosey Conservation Area (Our Special Use Permit was approved this morning). There are a number of different trails we can take. We will be hiking 5-6 miles from a location into our campsite. We will be meeting at Keystone Church at 9am on Saturday May 16th. This is about a 2 hour drive and we would love to get out on the trail before the hottest part of the day.

We do not have funds for T-shirt orders for FOUR (4) scouts - If you are planning to attend Bartle, please pay for your shirt ASAP so orders can be placed. Payments can be made at any meeting or to Donn's Venmo here (@SusanBreshears - 4481). Cost is \$20 for Class B shirts, please include SIZE and SCOUT NAME in comment. Note: PARENTS are also welcome to purchase if they would like.

Get excited for Memorial day, May 25th! Scouts decided they WILL be placing 441 wreaths at the 2026 Memorial Day ceremony. The wreaths symbolize the 441 Kansas City residents who died serving our country in WW1. The ceremony is at 10:00 am at Liberty Memorial, but scouts should plan to arrive by 9:15am. Due to the World Cup preparations, there is limited parking. Participants are strongly encouraged to take the KC Streetcar to the event. Each participating Scout will receive water, a light snack, and an exclusive commemorative patch. More info can be found on this FAQ.

Upcoming Events:

June (Currently unplanned) - This may end up being a regular TWO NIGHT campout at Lewis and Clark if no other options stand out.

July - Bartle

August - Nothing has been finalized, but currently planned for Canoeing. No reservations have been made and no location has been set.

September - Caving at Cleveland Cave near Osceola, Mo.

(No dates set beyond September)

4/27/26 Meeting Minutes

Quite an active Troop meeting tonight! The first years demonstrated "physically strong" by completing elements of the fitness test such as the timed one-mile run, sit-ups, push-ups, and back saver sit and reach.

In preparation for the 5/16 overnight hike campout, Scout Leaders went over some elements of a backpacking backpack. Topics like the importance of a padded belt that transfers weight to the hips, personal items, and crew items were shared. If other parent leaders would like to add to the discussion of backpacking logistics, we would appreciate it. Let us know if you (or your Scout) will be attending by filling out THIS FORM.

Backpacks -- If your scout needs a backpack for the campout, the Troop has FOUR in the garage for use. Others may have some to share. Do not feel like you must purchase one to participate.

T-shirts -- May 25th is the drop-dead date for Class B Troop t-shirt orders. Scouts were reminded to confirm with their parents whether they have a shirt ordered. Payments can be made at any meeting or to Donn's Venmo here (@SusanBreshears - 4481). Cost is \$20 for Class B shirts, please include SIZE and SCOUT NAME in comment. Donn has only received payments from about 1/3 of the people going to Bartle. **ESPECIALLY IF YOUR SCOUT IS GOING TO CAMP, PLEASE ORDER ASAP SO WE DON'T HAVE TO REACH OUT INDIVIDUALLY.**

May 25th is Memorial Day. The National WWI Museum / Liberty Memorial is celebrating its Centennial this year. They are asking members of KC scouting organizations (including Scouting America Troops and Packs and Girl Scouts) to lay 441 wreaths at the 2026 Memorial Day ceremony, one for each of the 441 Kansas City residents who died serving our country in the Great War. The ceremony is at 10:00 am at Liberty Memorial. Due to the World Cup preparations, there is limited parking. Participants are strongly encouraged to take the KC Streetcar to the event. Troop 50 is to vote on their participation next week.

4/20/26 Meeting Minutes

The meeting started out similar to how a typical post-campout begins. The boys formed a circle and discussed what went well/not so well during the previous campout. It was a constructive, youth lead discussion! Costs from this outing can be found in the attached image. Please make Venmo payments to @LaskerBrian (5394). IMPORTANT - The next outing will be a backpacking campout on Saturday, May 16th for ONE night. We are finalizing the plans, but we need to ensure we have the proper gear. If you are able to purchase a backpacking pack (something better than a school backpack). This backpack should have a hip belt to transfer the majority of a pack's weight from the shoulders to the stronger hip muscles, significantly reducing shoulder strain and preventing back injury. The troop has only FIVE available to lend. We can purchase more, but need to know ahead of time. If you have the means to purchase a personal pack, it is strongly recommended. This will be a very fun adventure for the scouts and we would hate to leave anyone behind that wants to go!! If you believe your Scout will be attending and needs a backpack, please fill out THIS FORM. Deadline for this will be early - May 4th end of day to allow leadership to purchase backpacks as needed. We cannot guarantee a loaner backpack if we do not know and the availability will become first come, first serve.

Note: Volunteering adults have the option to skip the backpacking and meet at the campsite if they still want to join.

Arrow of Light crossovers from Pack 50 earned their badges tonight after completing the last of their requirements. Congrats to Forrest, Atchel, Graeme, Billy, Britton, and Henry! Welcome to the Troop! Donn (Michael's Dad) is handling Class B uniform logistics. Payments can be made at any meeting or to his Zenmo here (Susan Breshears - 4481). Cost is \$20 for Class B shirts, please include SIZE and SCOUT NAME in comment. He has only received payments from about 1/3 of the people going to camp. Please do this ASAP so we can get started ordering. We will likely attempt to reach out to those individually in the next week or two and this would save us lots of time.

4/13/26 Meeting Minutes

Very busy night! The boys immediately got to work on logistics for the next campout (they even elected to SKIP opening ceremony!). We are looking at a lot of new scout participation!

Donn (Michael's Dad) is handling T-Shirt logistics. As an option to in-person meetings, payments can be made to his Zenmo here (Susan Breshears - 4481). Cost is \$20 for Class B shirts, please include SIZE and SCOUT NAME in comment.

Next weekend is the campout at Bruce's place in Osceola, Mo. This will be a survival campout for ONE night, meet at the church at 9:30am (previously communicated 10am) on Saturday. Scouts will be expected to build a structure that they will sleep in (No tents - tarps will be provided). Bring rope! Practice knots! Google shelter ideas! For our newer scouts, don't be worried! If a newer scout is uncomfortable, exceptions can be made (we will bring tents as a backup if they still want to attempt). If interested, please fill out THIS FORM. Deadline is Tuesday April 14th End of Day.

4/6/26 Meeting Minutes

One of the cornerstone benefits of Scouting is the opportunity to develop leadership qualities at a young age. Current leadership has been steering the ship for about 6 months which means an eventful night filled with leadership changes!

Briton was appointed Outdoor Ethics guide

Lucas was voted Scribe

William, Tilden, and Josh was voted Patrol Leaders

Billy was voted Assistant Senior Patrol Leader

Patrick was voted Senior Patrol Leader

Congratulations to the new leadership! We know these boys will do fantastic things for the troop!

Be sure to let Donn (Michael's Dad) know T-shirt size and provide \$20 for Class B shirts ASAP so these can be ordered. PURPLE is this year's color.

The next meeting will be the night of the Pack 50 meeting. We are looking for some Scout volunteers to assist in the Crossing Over Ceremony for the Pack's Arrow of Light's. Scouts will only need to arrive 30 minutes prior to our scheduled time (6:30pm) on that night. There should be leftover ice cream available as an extra treat (and a firetruck!).

The next campout will occur at Bruce's place in Osceola, Mo. This will be a survival campout for ONE night, meet at the church at 10am on Saturday. Scouts will be expected to build a structure that they will sleep in (No tents - tarps will be provided). Bring rope! Practice knots! Google shelter ideas! For our newer scouts, don't be worried! If a newer scout is uncomfortable, exceptions can be made (we can bring tents as a backup if they want to try). If interested, please fill out THIS FORM. Deadline is Tuesday April 14th End of Day.

We appreciate any folks who have signed up so far. We have already determined that we have the required Adult support for this campout, but that should not deter anyone from joining. We need a minimum of four, but there is no maximum! This greatly helps planning for outings, so please continue to be responsive.

Campout planning meeting will be next week. If you are planning to attend the outing, please try to make it to the meeting to help with logistics (or give your phone number to your Scout to pass to a Leader).

3/30/26 Meeting Minutes

The boys took advantage of the B-E-A-UTIFUL weather and we held the whole meeting outdoors! We had a decent wind moving through, but it was an amazing evening for a meeting. Lots of activity as the scouts worked in small teams to discuss requirements, and advancements.

PSA for parents: Please remind your Scout that parent leaders are here to help. If a Scout ever feels like they are being targeted, bullied, or in any way feels uncomfortable, remind them they can safely bring this up with any Adult Leader. If they feel more comfortable, they can also discuss this through any other Scout leadership chain (Patrol Leader, ASPL, SPL).

This week's great debate.. Class B shirt colors! The boys quickly narrowed down options to 3 colors: Mint Green, Pink, or Purple. Mint Green was eliminated in the first round of voting. The boys quickly separated into their favorite 'team' of votes with the winner being... PURPLE !!

The next campout will occur at Bruce's place in Osceola, Mo. This will be a survival campout for ONE night. Scouts will be expected to build a structure that they will sleep in (No tents - tarps will be provided). Bring rope! Practice knots! Google shelter ideas! For our newer scouts, don't be worried! If a newer scout is uncomfortable, exceptions can be made (we can bring tents as a backup if they want to try). If interested, please fill out THIS FORM. Deadline is Tuesday April 14th End of Day.

Congratulations to Forrest who earned his Scout rank tonight! This new batch of Scouts are moving through the ranks fast! Keep it up everyone!

The Troop is planning a group buy for 'Scouting Day at the K' to see the Royals on April 12th. See the bottom of the email for information related to signup!

The April 13th meeting will be the night of the Pack 50 meeting. We are looking for some Scout volunteers to assist in the Crossing Over Ceremony for the Pack's Arrow of Light's. Scouts will only need to arrive 30 minutes prior to our scheduled time (6:30pm) on that night. There should be leftover ice cream available as an extra treat (and a firetruck!).

Next week... Elections!! Leadership positions will be voted on. Your Scout should have a list of available 17 positions and their descriptions. The Scout should have a speech prepared... Just in case...

3/23/26 Meeting Minutes

The boys had a very productive meeting! Several boys chased sign offs from last weekend's activities, several boys went to clock some running times, and another group discussed knot tying to support next month's survival campout. This week's meeting wrapped up with some great basketball!

If you have not paid for the last campout at Watkins Mill, please do so. Only a few stragglers remain. Chasing down payments can be taxing after all the effort put into organizing an outing. Prompt paybacks are appreciated. The next campout will occur at Bruce's place in Osceola, Mo. This will be a survival campout for ONE night. Scouts will be expected to build a structure that they will sleep in (No tents - tarps will be provided). Bring rope! Practice knots! Google shelter ideas! For our newer scouts, don't be worried! If a newer scout is uncomfortable, exceptions can be made (we can bring tents as a backup if they want to try). If interested, please fill out THIS FORM

Congratulations to Cameron on the completion of his Eagle Scout project! This is a momentous milestone that will allow him to sail on to Eagle Scout with ease! Cameron gave a shout out to a few older scouts acting as executives and a younger/extra motivated Scout, Luke. Good job, everyone!

The Troop is planning a group buy for 'Scouting Day at the K' to see the Royals on April 12th. See the bottom of the email for information related to signup!

The April 13th meeting will also be the night of the Pack 50 meeting. We are looking for some Scout volunteers to assist in the Crossing Over Ceremony for the Pack's Arrow of Light's. Scouts will only need to arrive 30 minutes prior to our scheduled time (6:30pm) on that night. There should be leftover ice cream available as an extra treat! Looking for ways to help out? We still need someone to organize the canoeing trip planned for August.

3/16/26 Meeting Minutes

The meeting started out with a debrief of the amazing campout we had at Watkins Mill. We had a fantastic fire building competition! The boys were creative in working within (and outside) the vocalized rules. Our younger scouts got many signoffs over the 2 days. Costs from this outing can be found in the attached image. Please make Venmo payments to @LaskerBrian (5394).

Looking ahead, the next campout will occur at Bruce's place in Osceola, Mo. This will be a survival campout for ONE night. Scouts will be expected to build a structure that they will sleep in (No tents - tarps will be provided). Bring rope! Practice knots! Google shelter ideas! For our newer scouts, don't be worried! Looking ahead - We still need someone to organize the canoeing trip planned for August.

The Troop is investigating 'Scouting Day at the K' to see the Royals on April 12th. See the bottom of the email for information related to signup!

Final reminder: Cameron's Eagle project is scheduled for March 22nd - This is planned for all day, starting at 10am. Lunch will be provided (Bring a water bottle) and it is a great way to pick up some fun service hours. Many hands make light work! This will occur at Lakeside Nature Center where an outdoor classroom will be constructed. Contact Cameron to sign up.

Friendly reminder for all Scouts: Opening ceremony is the one major time that we should be prepared and ready to go. Be sure to remind your Scouts that jackets should be OFF and shirts are to be tucked in. Be Prepared!

3/9/26 Meeting Minutes

The night was a busy one. The boys took a tally for the campout and then for Bartle (And of course there was dodgeball). Much chaos!

Good news! We have volunteers to achieve a 2 night campout for this month's outing to Watkins Mill State Park. The weather looks to be great and the company is sure to be also! Backpacking in May has also been worked out. We will be visiting Pershing State Park. Great job, leadership team!

IMPORTANT: Please fill out THIS FORM if your scout plans to attend the campout and their name is NOT on this list:

Scouts:

Lucas B

Titus C

Michael B

Luke L

Forrest D

Martin N

Truman D (Friday Only)

James (Friday Only)

Patrick S (Friday Only)

Ewan P (Saturday Only)

Leaders:

Fri Night: Clark, Brian, Chris, Josh, Kevin, Nathan, Julie

Sat Night: Clark, Brian, Chris, Josh, Gabe

It is assumed that all scouts will be attending the tour - Please reach out if this is wrong.

Reminder - Next week we will be voting on the Class B uniforms shirt color. Think about what you want! Be prepared!

Cameron's Eagle project is scheduled for March 22nd - This is planned for all day, starting at 10am. Lunch will be provided and it is a great way to pick up some fun service hours. Many hands make light work! This will occur at Lakeside Nature Center where an outdoor classroom will be constructed. Contact Cameron to sign up.

IMPORTANT: Please remember that we are allowed free reign in the coffee house area of the church only. Please remind your scout that we are only to be in that area, unless chaperoned with 2+ leaders. We had a few runners tonight. It is a liability and a poor look for the Troop if there was an incident. Remember that being respectful of a place of worship is a great way to practice reverence!

Sam misplaced his neckerchief last week. If your scout currently has two by mistake, please try to return that to him.

Reminder from the SPL: Younger scouts should bring their books to every meeting and every campout. Lots of progress can be made during meetings and even more can be made during campouts! Lean on the older scouts. They are great resources and would love to help (that's the best part of being in scouts!)

3/2/26 Meeting Minutes

A big welcome to the incoming scouts (and parents!) from Pack 50. So many new faces! The boys were very excited to have new friends.

Cameron's Eagle project is scheduled for March 22nd - This is planned for all day, starting at 10am. Lunch will be provided and it is a great way to pick up some fun service hours. Many hands make light work! This will occur at Lakeside Nature Center where an outdoor classroom will be constructed. Contact Cameron to sign up.

Shout out to Josh B who has been a huge help as den chief for our incoming Scouts!

March campout information SIGN UP HERE:

March campout will be March 13-15th (TWO nights). We will be meeting at Keystone on Friday, March 13th at 5pm. We plan to return on Sunday, March 15th at about 11am. This campout will be at Watkins Mill State Park. Camping both nights is not required, but we will need to know for food planning purposes.

There WILL be a tour planned for Saturday. We need to be at the Visitor Center/Museum at 2:15pm, will watch a short film "Missouri Confronts Industrialism" and then take our 1 hour tour of the mill. It will end at approximately 4pm. If you are only attending one day of camping, please note if you are/are not coming to the tour in the sign up form.

2/23/26 Meeting Minutes

The campout last weekend was a great success! It was a very chilly outing but the boys had a great time.

The Pack 50 Pinewood Derby was also a great success! Special thanks to Ben and Truman for volunteering their time.

IMPORTANT: Mistakes were made regarding the date for the campout from March. The date is March 13-15th (website is correct). Sincerest apologies for any confusion and/or issues this has caused. This was changed from the typical '3rd week' to avoid Spring Break concerns.

Please fill out THIS FORM if you or your scout plans to attend the campout (the sooner we know, the better!).
Deadline is March 10th.

Cameron's Eagle project is scheduled for March 22nd. More details to follow.

Welcome to James and Martin who are new scouts from Pack 25. We are so glad to have you!

2/16/26 Meeting Minutes

Campout next weekend! ONE NIGHT - Feb 21st-22nd. The scouts did their normal level of chaos as they assigned patrols and sleeping arrangements. There may or may not have been a feline distraction out by the storage area.

IMPORTANT: Please fill out THIS FORM if your scout plans to attend the campout and their name is NOT on this list:

Scouts (14): Colton S, Billy K, Patrick S, Luke L, Frank T, Sam P, Ewan P, Michael B, Titus C, Gill V, Josh B, William B, Tilden G, Lucas B

Leaders (6-8): Starr, Ed, Tom, Brian, Clark, Stephanie, Gabe (maybe), Todd (maybe)

In order to respect assigned grubmasters, the deadline will be End-of-Day TUESDAY. After this time, we will be unable to guarantee food for your scout.

We will be meeting at Keystone at 9am on Feb 21st. Plan will be to return all scouts to Keystone at approximately 1pm ALIVE.

Final numbers for Chili Bingo are IN! The troop earned a whopping \$2,280! Good job, troop! Ask your scout what they think we should buy to support the troop. It's their money, they earned it!

For those interested, the Pinewood Derby occurs next weekend. If you cannot make the campout, consider helping out the Cub Pack at Keystone from 9-10am on Saturday Feb 21st. Come dressed in your Class A's. Another reminder, Cub Pack 25's Blue and Gold banquet is next weekend on Sunday Feb 22nd. We have gotten some great boys from that pack, and it would be fantastic to help in return. Contact Ed for more information. This occurs in the evening, so it's possible to do the campout AND help out here.

Open opportunities: We have a campout planned in May for backpacking. Currently, we do not have anyone signed up to plan this activity. It would be great to have someone working on this. You won't be alone, we can help guide you!

2/9/26 Meeting Minutes

Congratulations to Billy and Tilden for reaching Star rank! Who will reach Life first?? 🤔

The boys had a good evening taking advantage of the wonderful weather. A few of the younger scouts needed some physical activity signoffs, so they set up a short 1/4 mi circuit to capture a 1 mi time followed by stretching and pushups. The leaders could've totally outpaced them... but ya'know... it was a long day at work...

Cameron got his Eagle proposal signed off. He will need some volunteers to assist building his project. Time is TBD, but this is a good opportunity to scoop up some service hours (NOT conservation hours).

Next campout is in ~2 weeks. We will be staying ONE night at Lake Jacomo. We will depart from Keystone on Saturday Feb 21st @ 9am. So far there is planned to be plenty of carpooling available for those in need.

Reminder that scouts 16+ require a fishing license if they want to fish (we should have extra gear available).

Please let us know if a leader or scout will be attended by filling out this form. This gives our leaders valuable information needed to plan a successful campout.

For those interested, the Pinewood Derby occurs on the same weekend of the campout. If you cannot make the campout, consider helping out the Cub Pack at Keystone from 9-10am on Saturday Feb 21st.

ALSO that weekend (busy weekend, ya?) is Cub Pack 25's Blue and Gold banquet that is occurring on Sunday Feb 22nd. We have gotten some great boys from that pack, and it would be fantastic to help in return. Contact Ed for more information.

If there are any Leaders/parents out there that want to sign up for some extra help, we have a campout planned in May for backpacking. Currently, we do not have anyone signed up to plan this activity. Reach out if interested!

2/2/26 Meeting Minutes

Remember that tribal gear is to be worn for ALL scouting events (even Bingo Night!).

The boys had a great discussion over how the Chili Bingo night went. A lot of good ideas were shared that can make next year's event more EPIC. Sometimes a lid looks like a pot... but the troop 'got it done'. Final numbers were not available this meeting, but plan to be shared next week.

Cub Scout PINEWOOD DERBY is planned for Saturday, 2/21. They would like to have some scouts and/or adults there to help out for the event. Reach out if you are available! It should be a fun time!

Leaders have been spending time organizing merit badge availability. It may be a good idea to boost up our support so that we have less burden in certain areas. In general, we want to see a minimum of 2 qualified Leaders for each Eagle-Required merit badge. In particular, looking for more coverage on Communication, Family Life, Personal Fitness, Personal Management, and First Aid merit badges. Check out the Become a Leader page for more information!

MISSING SCOUT TENT - Remember that tents are not cheap! We would rather be funding activities like building a sled or new dodgeballs than lost tents. Please ask your scout to search for the missing tent!

The next campout is on February 21st. This will be for only ONE NIGHT at Lake Jacomo. So far, it looks like the weather will be a chilly 29 Low/48 High (still 19 days out). Make sure that your scout has the appropriate gear for cold weather camping (Recommend a 0 degree sleeping bag and sleeping pad). If you know that you can/cannot attend, please let us know with this survey!

- Congrats to Patrick who sold the most Chili Bingo tickets! Great job supporting the troop!
