Starting the week of April 10th our Hoover students will begin taking the Michigan Student Test of Educational Progress, or M-STEP, a 21st Century computer-based assessment designed to gauge how well our students are

mastering state standards. Please see the letter from the State Superintendent of Education regarding State testing ([Letter Link](#))

Our 6th and 7th Grade students will take the English Language Arts MSTEP and Math MSTEP. Our 8th graders will take the PSAT8 and the Science and Social Studies MSTEP. Please make sure your child is getting plenty of rest and encourage them to do their best! Hoover Middle School and West Middle School will follow the same testing schedule. [Please see the detailed schedule here.](#) **Due to State testing protocols, no cell phones, smart watches or other electronic devices can be used by a student. All electronic devices will need to be locked in the student's lockers during their testing session. Students take the MSTEP online using their Chromebooks. They will need to make sure they bring them to school every day fully charged.**
