

❤️ We Miss the MAC Bus This Summer!

Our students are missing the Mobile Academic Classroom (MAC)—the excitement, the hands-on STEAM fun, and the joy of learning that rolled right into their neighborhoods.

But here's the good news: YOU can help bring it back next summer. ❤️

🎯 The MAC Bus brings FREE summer learning directly to kids

🔬 Sparks curiosity through real STEAM experiences

👉 Builds community beyond the classroom

We need your help to fund the MAC for Summer 2026.

Every dollar brings us closer to rolling again. Let's make it happen—for our kids, for their future. 🙌

📱 Here's how you can help:
