Background:

Each year, District staff prepare a monitoring report for the Board of Education. This report shows how the District is following local, state, and federal policies. Under Board-Superintendent Relationships (BSR) Policy 5 - Monitoring the Ends and Executive Limitations Policies and Superintendent Performance Evaluation Processes, the Superintendent and staff must provide the Board with evidence that the District is meeting the Board's Ends and Executive Limitation policies.

This monitoring report was presented at the 09/04/2025 Board of Education regular meeting. After each monitoring report presentation, the report is then placed on the consent agenda for Board approval at the following Board meeting.

Rationale/Objective:

To be in compliance with Governance Process (GP) Policy 6 - Agenda Planning Calendar established by the Board of Education.
