

**Introduction and Overview:**

Welcome and introductions of all participants.

Presentation of the collaborative framework addressing violence from an epidemiological perspective, including Prevention, Intervention, and Advocacy components.

Discussion on the goals and objectives of the collaboration and how each committee (Prevention, Intervention, Advocacy) fits into the overall framework.

**Establishing Roles and Responsibilities:**

Reviewing the responsibilities of each committee (Prevention, Intervention, Advocacy) as outlined in the collaborative framework.

Identifying Committee Chairs or Co-Chairs, including key stakeholders and partners within the community, including government agencies, law enforcement, community organizations, and service providers.

**Developing Action Plans and Priorities:**

Brainstorming and prioritizing specific initiatives and action plans for each committee based on their responsibilities.

Identify forms of violence we would like to prioritize.
