

April 20, 2020

Hello Jensen Ranch students and families,

Hope all is well with each and every one of you.

The timeline is ending for The Galloway Challenge. Some of you have done a great job of listing things you have learned in PE. But I need MORE! Come on now, make me pay. Eden Hospital deserves my \$100 and more. This challenge is posted in the Google Classroom for PE for each grade level. Please go there and add what you know.

I have even added questions as hints to content that we have covered in class. The questions cover all grade levels. Type in the answer and replace the question with your name. I am helping you to spend MY money. Come on, I know you can do it! The challenge ends on May 1.

And speaking of the Google classrooms for PE, many of you have not joined yet. Physical Education is important for everyone. (Of course I think it is the most important ☺) So please join the classroom for your grade level. Yes, I have posted some activities to get you to exercise, but I have also posted some assignments so that you continue to learn what you are supposed to. And of course, a thing or two I posted just for fun.

Codes to join the classrooms are as follows:

Grade 1 – 2q7oxkc

Grade 2 – cfvabxl

Grade 3 – adwbbcd

Grade 4 – pvy7rrw

Grade 5- iohh35f

Please come on join my class! I miss you all!

Mrs. Galloway
