Current 5th Graders

Greetings 5th Grade Families,

Glen Hills Middle School is beginning the work of scheduling students for the 2024-25 school year. School Counselors will be going into 5th Grade classes next week to present an overview of elective courses and to have students select their first and second choices. We ask that you take time to review the following selections with your student, to ensure they make an informed choice.

Students going into 6th Grade at Glen Hills have the opportunity to choose between two graded courses, Spanish or Academic Resource Center as an elective for one of their course periods. Every effort will be made to accommodate students' first choice and student schedules for the 2024-25 school year will be available in August.

Spanish

- Spanish is a survey course of language and culture that will advance students to continuing with Spanish in Grade 7, 8, and High School.
- ***(It is not necessary to take this course in order to take Spanish or German in Grade 7)***

Academic Resource Center

- Academic Resource Center is a course where students will learn about and demonstrate skills for academic success, through time management, organization, and academics.
- ***(Students taking this course may elect Spanish or German in Grade 7)***

**Please note all students will continue in their previously elected courses for music. Students do have the option of exploring an additional music course during their music period on an alternating day schedule. If you are interested please reach out to your student's music teacher.*

Current 6th Graders

Greetings 6th Grade Families,

Glen Hills Middle School is beginning the work of scheduling students for the 2024-25 school year. School Counselors will be going into 6th Grade classes next week to present an overview of elective courses and to have students select their first and second choices. We ask that you take time to review the following selections with your student, to ensure they make an informed choice.

Students going into 7th Grade at Glen Hills have the opportunity to choose graded course electives for two different periods in their schedules. Every effort will be made to accommodate students' first choices. Student schedules for the 2024-25 school year will be available in August.

First Elective Period

- **Spanish**
 - *Spanish is the first semester of High School Spanish 1 and is designed to advance students to continuing with Spanish in Grade 8 and High School.*
 - **(Prerequisite course for 8th Grade Spanish)**
- **German**
 - *German is the first semester of High School German 1 and is designed to advance students to continuing with German in Grade 8 and High School.*
 - **(Prerequisite course for 8th Grade German)**
- **Academic Resource Center**
 - *Academic Resource Center is a course where students will learn about and demonstrate skills for academic success, through time management, organization, and academics*

Second Elective Period

- **Art**
 - *In Art students will learn about principals of art and design through creation of 2D and 3D art.*
- **Tech Ed**
 - *In Tech Ed students will learn about the design process through technology, engineering projects, and woodworking.*
- **STEAM**
 - *In STEAM students will use Science, Technology, Engineering, Art, and Math to engage in environmental studies through project based learning.*

**Please note all students will continue in their previously elected courses for music. Students do have the option of exploring an additional music course on an alternating day schedule during the music period. If you are interested please reach out to your student's music teacher.*

Current 7th Graders

Greetings 7th Grade Families,
