

Judul Inggris (Font: Capitalize Each Word, Cambria, size 12)

Judul Indonesia (Font: Capitalize Each Word, Cambria, size 13)

(The title must reflect the issue and focus of the community service, the subjects involved, the actions and strategies, as well as the social change achieved or desired, in both English and Indonesian [in an article in Indonesian].)

Nama Penulis,^{1*} Nama Penulis,² Nama Penulis³ (Cambria, size 12)

¹Affiliation/Institution (Cambria, size 11)

E-mail: XXX*

Abstract: *Contains the issue and focus of the community service, the purpose, the research or engagement methods, approaches, or strategies used, the outcomes of the research or engagement, and the contribution. (maximum 200 to 250 word, Cambria, size 11 font Italic).*

Contribution: *Contribution of research or community engagement.*

Keywords: *word 1; word 2; word 3; word 4 (4-7 words).*

Abstrak: berisi tentang isu dan fokus riset atau pengabdian, tujuan riset atau pengabdian, metode/pendekatan/strategi riset atau pengabdian, dan hasil riset atau pengabdian masyarakat (maksimal 200-250 kata, Cambria, size 11 font Italic).

Kontribusi: kontribusi riset atau pengabdian kepada masyarakat.

Kata kunci: kata 1; kata 2; kata 3; kata 4 (4-7 kata).

INTRODUCTION / PENDAHULUAN (Cambria, size 12)

[Background, research gap/problem, relevant literature, novelty/contribution, and purpose/ objective/question.]. The References use *Turabian Style*.¹ (Cambria, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1.5)

LITERATURE REVIEW / CONCEPTUAL FRAMEWORK / KAJIAN LITERATUR

It contains theories / concepts / approaches / perspectives / paradigms, etc. which will be used to analyse certain cases or selected topics. The naming of the analytical framework may be adjusted or replaced by the names / terms that reflect the conceptual or theoretical framework to be used (e.g. Balance of Power, Soft Power and

etc.). The References use *Turabian Style*.² (Cambria, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1.5).

METHOD / METODE (Cambria, size 12)

Contains a description of the participatory action planning process with the community (community organizing). This section explains the subjects of the service, the setting and location, the involvement of the target group in the planning and community organizing process, the research methods or strategies used to achieve the expected goals, and the stages of the community service activities. A flowchart or diagram is used to illustrate the planning process and strategies/methods. (Cambria, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1.5)

Figur 1. Example Diagram.

RESULT / HASIL (Cambria, size 12)

Contains a description of the outcomes of the community service research process, explaining the dynamics of the mentoring process (the range of research or activities conducted, and technical or program actions taken to solve community problems). It also details the emergence of the expected social changes, such as the

DISCUSSION / PEMBAHASAN (Cambria, size 13)

This section discusses the outcomes of the community service, integrating theoretical perspectives and methodology from inception to social change. All references must follow Turabian Style.

Key Focus Areas:

- Findings & Context: Interpret results and relate them to relevant literature, theory, and methodology.
- 7.1. Comparison With Previous Research: [Insert synthesis of agreements/ differences with prior studies.]
- 7.2. Theoretical / Practical Implications: [Insert theoretical and practical impacts.]
- 7.3. Limitations: [Insert study or service limitations.]"

(Cambria, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1.5)

CONCLUSION / KESIMPULAN (Cambria, size 12)

Contains a description of the conclusion of the research or community service, highlighting key findings relative to the objectives. It presents theoretical reflections, practical implications, limitations, and recommendations for future research. (Cambria, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1.5)

Acknowledgements: [State assistance that does not qualify for authorship and supplementary material associated with this article. If none: None.]

Competing Interests: [The authors declare that they have no financial or personal relationships that may have inappropriately influenced the research, analysis, or writing of this article.]

Ethical Considerations: [State ethical approval/clearance, institution, approval number/date where applicable; informed consent and confidentiality. If approval was not required, explain why.]

CRedit authorship contribution statement: [Specify each author's contribution. For a single-author article, state responsibility for conceptualization, methodology, analysis, writing, and final approval.]

Funding Information: [State funding and grant numbers, or: This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.]

Data Availability: [State data/material availability. If unavailable, explain ethical, legal, privacy, or confidentiality restrictions.]

AI Use Disclosure: [State whether AI/generative AI was used. If used, identify tool, version where available, purpose, and extent. Authors remain responsible for accuracy, originality, integrity, and ethical compliance.]

REFERENCES / REFERENSI (Cambria, size 12)

The reference list must include only sources cited in the manuscript, arranged alphabetically by the first author's surname following Turabian edition guidelines. At least 80% of the references should consist of scholarly, peer-reviewed journal articles, primarily published within the last 10 (ten) years (2022–2026 for a 2026 submission). Other relevant sources such as books, proceedings, reports, and websites are acceptable, while older publications are permitted only when essential—such as foundational theories, seminal studies, primary historical sources, or legal documents.
