Insurance reimbursement for Biofeedback will be dependent on your insurance benefits. We recommend calling your insurance carrier to check your benefits for Neuro/Biofeedback coverage. Please ask the following questions and ask for a **reference number, the name of the representative you spoke with, and the date and time** for the call. If there is any discrepancy in reimbursement, you can use the reference number to substantiate your claim.

Is biofeedback or neurofeedback a covered benefit under my insurance policy?

If yes, then:

1. What are biofeedback services covered under? Medical\_\_\_\_\_ or behavioral\_\_\_\_\_
2. What diagnosis is it covered?
3. Under which code is it covered? 90901\_\_\_\_\_or96152\_\_\_\_\_
4. Does this service require a prescription, letter, or referral from my medical doctor?
5. Will I need preauthorizations? \_\_\_\_\_
  - a. If so, please inform the practice that a prior authorization is required before services begin.
6. How many sessions are allowed? \_\_\_\_\_ Per week? \_\_\_\_\_ Per Year? \_\_\_\_\_ Is there a dollar amount limit? \_\_\_\_\_

7. Is there a deductible? If so, what is the deductible? \_\_\_\_\_ If so, how much of the deductible has been met? \_\_\_\_\_
