

Treasurer

The Treasurer is an important position ensuring that the organization is fiscally sound with excellent financial management. The organization uses Quickbooks which provides clear and understandable financial statements.

The organization raises and spends about \$30,000 a year. In most years income and outgo are roughly balanced. The organization does conduct a thorough audit by an independent CPA.

Sarasota Sister Cities is financed by membership dues, charitable contributions, fundraising events and support from the City of Sarasota. Raising money is of course very important for any organization.

Our One World Award Gala often raises funds. We also work with the Community Foundation on community wide fundraising appeals and we will gladly accept contributions from members and friends.

Werner Knoop was the Treasurer for many years. Gloria Grenier took over the duties of Treasurer in September 2019.

Telethon

\$ 14,682 Raised

We had a very successful Giving Partner effort in 2015 that was covered by SNN TV. The figures from the CFSC indicated that our giving was \$6,841 and our matching dollars were \$6,091 – for a total of \$12,932. An additional \$1,750 was received late and was not matched. Our total fundraising for that event came to \$ **14,682**. Thanks to everyone for their gifts and thanks to the volunteers for the great effort.

William Wallace and Kenney DeCamp
Finance Co Chairman

A special thanks to Finance Co-Chairmen Bill Wallace and Kenney DeCamp, as well as Gloria Grenier, Carolyn Bloomer, David Harralson, and Craig Hullinger who worked the phones at the Telethon. Thanks to Bill Mallet who set up the equipment and to the Partners of the Giving Partnership who made this effort possible.
