It includes use of a well fitted blanket/washing/storage and replacement so that you do not have to provide your own blanket. If you have not already paid this, please do so or provide a medium weight 1200D waterproof turnout blanket that is well fitted to your horse. Regardless, we will handle blanketing and unblanketing as necessary. You do not have to come take your own blankets on and off. Please report any disrepair, fitting, or thickness issues to Crosby.
