

MIOSM Teaching Guide

Learning Objectives

In this lesson, students will:

- Assess prior knowledge of music-related occupations.
 - Compare and contrast common tasks, abilities, knowledge, education and skill requirements for careers in the Performing Arts pathway.
 - Explore career paths to identify occupations in industries outside of the Performing Arts field that incorporate musical performance or other areas of music management.
-

Materials

- MajorClarity student login information
 - Student and teacher computer access
 - Web browser (Chrome, Firefox, Edge preferred)
 - Class set of **Student Worksheets** (digital or hard-copy)
 - Approximately 30-45 minutes of instructional time
-

Tasks

1. Read aloud the introductory paragraph at the top of the **Student Worksheet**.
2. Inventory student's prior knowledge to generate a T-chart of music-related professions.
3. Provide targeted assistance as students -
 - a. Login to MajorClarity
 - b. Navigate to the "**Career Exploration**" tab to locate the *Performing Arts* career path and conduct career research independently to record on the student worksheet.
