

Listening and Speaking

Instructions: Press play on the video in the blog and listen to the conversation. When it finishes, answer the questions below. You do not need to write any answers.

- What is Hanna worried about?
- Why is Dan surprised?
- What do the scientists say about the future?
- What examples of global warming does Hannah mention?
- How does Dan try to reassure Hannah? What does he say?
- What are **YOU** worried about regarding the future? Why does this concern you?

Now, play the audio again. As you listen, complete the missing parts of the sentences with the exact words from the conversation.

- 1) What _____ the world _____ like when he or she grows up?
- 2) Don't they make you worry about what _____ happen in the future?
- 3) Of course, things _____ change a lot in the next hundred years,...
- 4) No one says it _____ get warmer or it _____ get warmer anymore.
- 5) Scientists say that it definitely _____ warmer.
- 6) They say temperatures _____ rise by up to 39 degrees.
- 7) You _____ a baby soon.
- 8) We _____ do our part.
- 9) Ok, but maybe it _____ help. It _____ too late already.
