

Dual Election estimated additional impact and cost for dual election on Nov. 7, 2017

Expense	State Election Estimated Expense	Town Additional Estimated
Ballot Printing	State pays	\$875
Ballot Machine Coding	\$500	\$500
Handicapped Voter	State pays	No additional expense
Election Officers	\$2,100 (12 workers/constable)	\$1,100 (9 additional)
Election meal/snacks	\$145	\$30
Police Officer	\$280	No additional expense
Election set up cost	\$550	No additional expense
Total	\$3,575	\$2,505

Special Voter Registration evening session would be the same for both elections.
Warrants would be posted at same time.

Both absentee ballots would be mailed in the same envelopes with separate inner envelopes for voters to sign.

Each election would have its own check-in table and voters would check in at each table for that ballot. After voting they would check out at the back table, where two workers will have a voters list for each election.
