

Grant Ranch 3rd - 8th Families

Important: 2026 CMAS Testing Schedule & Information

The **Colorado Measures of Academic Success (CMAS)** are end-of-year tests that help students and parents understand if students are on track to meet the expectations of college and careers. Score reports show how students are doing compared to the school, district and state. The testing window is **April 6-24**, opening the day our students return from Spring Break.

Testing Schedule and Expectations

To support your child and minimize missed instruction from makeup testing:

- Ensure your child arrives at school on time.
- Avoid scheduling appointments or vacations on your child's designated testing days.

Electronic Device Policy

All personal electronic devices are **strictly prohibited** in testing rooms. To maintain standardized test environments and the validity of these tests, students are asked to turn off and turn in their devices (phones, smart watches, etc.) before each session begins.

The Role of State Assessments

Results help schools know how to improve learning and the community can see how well schools are serving students. For more details on why these assessments matter, visit the [DPS CMAS Website](#).

Student Preparation and Family Resources

The Colorado Department of Education (CDE) offers the following resources to help students and families prepare:

- [CMAS Student Practice Resources](#)
- [CDE Parent Resources](#)
