

Royale Ballet Dance Academy is a dance school in Dallas, TX serving DFW for 24 years. We use the transformational power of dance to help students achieve their potential. We are not like most dance schools in DFW, who usually only focus on moving students through a generalized and highly competitive atmosphere. Our RAD certified instructors help students gain confidence, build character, develop personal discipline, and practice consideration for others. We offer many dance classes including Ballet, Tap, Pointe, Hip Hop, Musical Theatre, Lyrical, Contemporary, Jazz, and more.
