

Lynn Morris
National RMG NCR

My goals for the position of the Retired Members Guild (RMG) National Regional Representative are to continue to help the RMG stay active, increase our PIPSC presence, build stronger relationships with Regular Members, increase our membership, and our members communications.

During my career, I have worked for the Department of Justice, Public Service and Procurement Canada (PSPC) in the fields of Legal Research, Procurement and Training of procurement related systems as well as an Adult Educator for the Ottawa School Board.

My experience as an Adult Educator, Facilitator, Entrepreneur and my PIPSC experience as NCR RMG Secretary, AV Secretary, AV Bargaining Team, member of various boards and committees, will aid me in providing a positive, engaging experience with ongoing liaisons between the Guild, the NCR and Regional Chapters.

I will put my knowledge, training, enthusiasm, tenacity and commitment to PIPSC and the RMG to represent all members, being a sounding board, providing information and fully represent our interests and views at meetings.

I have made volunteering part of my life, as such, being a volunteer for PIPSC has been one of my most rewarding experiences. I intend to continue my commitment to serve the retired members, work towards greater membership engagement and be a strong voice for all the RMG issues.

Better Together

Lynn Morris
