How to Access SAT Practice Test Materials
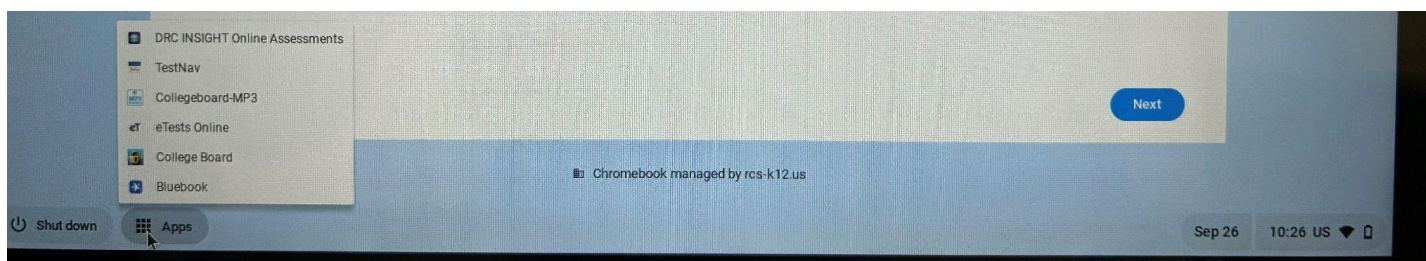

You will need a district Chromebook to access the Bluebook app for digital SAT testing.

STEP 1:
Open your district Chromebook but **do not** log in

STEP 2:
Click on ⊞ **Apps** in the bottom left hand corner> Select ⇱ **Bluebook**

STEP 3:
Sign in with your College Board account. If you do not have an account, please follow the [How to Create a College Board account How-To Guide.](#)

STEP 4:
Choose either a Test Preview or a Full- Length Practice Test

STEP 5:

In the Test Type drop down, choose "SAT" and begin your practice.

If you complete a full-length practice test, you can find your results and key insights to your performance at: https://mypractice.collegeboard.org
