At **Carmody,** we are committed to achieving **Instructional Excellence**. Our dedicated teachers create engaging and challenging lessons that inspire students to reach their full potential. We strive to provide **Extraordinary Experiences** that enrich our students' education and personal growth. We offer over **20 clubs** as well as a wide variety of **elective classes.**

Belonging is at the heart of our school culture. We want every student to feel welcomed, valued, and supported as they transition to middle school. Together, we will build a nurturing environment where friendships flourish, and learning thrives. All our students engage in a Connections Class where they build strong and positive relationships and gain social-emotional skills to excel in middle school.

We look forward to meeting you and sharing more about our school, our programs, and the vibrant community that awaits you. Please mark your calendars, and we can't wait to see you there!
