

SCIENCE FICTION

Dune
By Frank Herbert
[series book #1]

“The Duke of Atreides has been manoeuvred by his arch enemy, Baron Harkonnen, into administering the desert planet of Dune. Although it is almost completely without water, Dune is a planet of fabulous wealth, for it is the only source of a drug prized throughout the Galactic Empire. The Duke and his son, Paul, are expecting treachery and it duly comes - but from a shockingly unexpected place. Then, when Paul succeeds his father, he becomes a catalyst for the native people of Dune, whose knowledge of the ecology of the planet gives them vast power. They have been waiting for a leader like Paul Atreides, a leader who can harness that force...”
