- Maintain all programmatic records and evaluations in ATrack
- Conduct formative and summative evaluations of students, preceptors and clinical sites throughout the academic year
- Facilitate evaluations of each affiliate site for each rotation
- Provide/coordinate preceptor meetings/retraining
- Assist the Program Director with administrative duties
- Assessment of clinical proficiencies

Teaching Responsibilities

- Prevention of Sport Injury I
- Prevention of Sport Injury II
- Nutrition
- Therapeutic Rehabilitation
- General Medical Conditions
- Therapeutic Modalities Lab
- Clinical Experience I
- Clinical Experience II
- Clinical Experience III
- Clinical Experience IV
- American Red Cross First Responder (EMR)

2015 – 2016

**Southern Utah University**: Assistant Professor/Clinical Education Coordinator,  
Undergraduate Athletic Training Program

- Oversee and assist with all clinical education components
- Serve as a preceptor
- Coordinate the rotation of students among on and off-campus affiliate sites
- Assist Program Director in establishing, reviewing and revising policies and procedures for the operation of the program, including coursework requirements, clinical requirements, retention, advising, etc.
- Maintain program compliance with CAATE Standards
- Continue affiliated agreements with General Medical, High Schools, and Intercollegiate Sites
- Supervise ~20 preceptors
- Maintain all communication/documentation between preceptors
- Organize and maintain all rotational schedules of student & preceptors
- Direct and implement the systematic evaluation of students & preceptors
- Conduct routine site visits
- Facilitate evaluations of each affiliate site for each rotation
- Provide/coordinate preceptor meetings/retraining
- Assist the Program Director with administrative duties
- Assessment of clinical proficiencies

*Teaching Responsibilities*

- Clinical Experience III – senior level
- Therapeutic Modalities
- Therapeutic Rehabilitation
- Upper Extremity Evaluation
- Introduction to Athletic Training and Sports Medicine

2013 – 2015

**University of Minnesota Duluth**: Assistant Professor/Clinical Education  
Coordinator, Undergraduate Athletic Training Program

- Oversee and assist with all clinical education components
- Serve as a Preceptor
- Coordinate the rotation of students among 12 on and off-campus affiliate sites
- Assist Program Director in establishing, reviewing and revising policies and procedures for the operation of the program, including coursework requirements, clinical requirements, retention, advising, etc.
- Maintain program compliance with CAATE Standards
- Continue affiliated agreements with General Medical sites, 1 Industrial Rehabilitation, & 1 Physician Extender site
- Maintain all communication/documentation between 24 preceptors
- Organize and maintain all rotational schedules of student & preceptors
- Direct and implement the systematic evaluation of students & preceptors
- Conduct routine site visits
- Facilitate evaluations of each affiliate site for each rotation
- Provide/coordinate preceptor meetings/retraining
- Assist the Program Director with administrative duties

- Assessment of all clinical proficiencies
- Assist students with recording completed competencies in A-Track

Teaching Responsibilities

- Clinical Experience One – sophomore level
- Therapeutic Modalities
- Therapeutic Rehabilitation
- Research Methods in Athletic Training
- Clinical Kinesiology
- Mechanics of Musculoskeletal Injury
- Pharmacology in Athletic Training
- CPR/AED for the Professional Rescuer
- American Red Cross First Responder (EMR)
- Health and Wellness
- Responding to Emergencies
- Medical Terminology

Sport Assignments:

Athletic Training coverage (PRN); M-BK, W-HK, M-HK, FB, VB

**2010-2013**

**Pacific Lutheran University:** Assistant Athletic Trainer/Adjunct Instructor

- Provide coverage for 20 intercollegiate athletic teams and administer a quality co-ed Sports Medicine Program for intercollegiate sports
