Year 1 Curriculum Information Spring Term B

Your World
My world

Computing- Coding

The children will be introduced to on screen programming through ScratchJr. They will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify and create programs. The children are also introduced to the early stages of program design through the introduction of algorithms.

Science- STEM

We are looking at water, its uses and where it comes from. We are also looking at monitoring the weather, how rainbows are made and how clouds produce rain.

Design Technology

We are looking at designing and making our own fruit skewers, starting with a fruit tasting session.

PSHE- Living in the Wider World

With Mrs Heffernann the children will be learning about How can we look after each other and the world?

Music- Round and Round

We are going to look at Pulse, rhythm and pitch in different styles of music. We will listen to and appraise a variety of songs from *Livin' La Vida Loca* by Ricky Martin to *March Of The Empire* by John Williams.

RE- Who is Jewish and how do they live?

With Mrs Heffernann we will continue to learn about the Jewish faith and compare how Jewish people live to Christians.

PE-

Outdoor PE- Thursday

We are doing cricket every Thursday afternoon.

Outdoor PE- Friday

With our friends from NUFC we will be exploring football skills.

Geography

This half term we are learning about the 7 continents and 5 oceans of the world. We will then focus on looking at the United Kingdom and the 4 countries that make it up alongside the seas that surround us.
