<p>Please provide a brief description of your organisation or initiative (maximum 200 words).</p> <p>You should include information about your mission and objectives, main areas of work, target groups or communities you engage with, and relevant experience related to LGBTQIA+ organisations, movements, or civic space.</p> <p>if relevant please also describe any permanent presence and/or substantial and sustained operational activities your organisation has in regions outside the capital city.</p>

<p>Please briefly describe how democratic principles, human rights, and non-discrimination, are reflected in your organisation's work (maximum 150 words).</p>

Have you already collaborated with ERIM? (please mention past or ongoing grants contracts or any other collaborations)

## II. Experience and proposed research

Please briefly describe your organisation's experience with research, documentation, or other evidence-based work relevant to the proposed action, and the relevant experience of the individual(s) who will carry out the research.

Please include at least one concrete example of relevant work, either by attaching it to the application or by providing a link to a publication, report, or other output (maximum 300 words).

Please provide the title of the proposed research.

Please describe the focus of the proposed research and explain its relevance.

In your response, please address:

- What you propose to research?
- Why this research is relevant for LGBTQIA+ organisations and movements and/or civic space?
- Why it is relevant in the selected country context?
- How does the proposed research build on, complement, or differ from existing research or available data on this topic?

*(Maximum 500 words)*

Please describe your proposed research approach(es) and explain how the research will be carried out. In your response, please include:

- the main research questions or objectives;
- the methods and sources of information you plan to use;
- any safety or contextual considerations relevant to the research;
- a brief indication of the research timeline and who will carry out the research.

*(Maximum 400 words)*

### III. Advocacy and/or Awareness raising follow-up campaign

Who are the main audiences for the research findings (e.g. civil society, communities, practitioners, decision-makers where appropriate)? How will the findings influence your work and/or advocacy? Please also explain how the research findings could be useful for advocacy, public debate, and/or policy discussions beyond the specific follow-up actions proposed in this application (maximum 400 words).

Please describe the targeted advocacy or awareness-raising campaigns or initiatives you propose following the research (including why they are appropriate for the local context). Who do you plan to engage, and how?

Please also explain how the proposed follow-up actions will be informed by and linked to the research findings.

If relevant, please indicate any considerations relevant to visibility or safety (maximum 400 words).

What outcomes or results do you aim to achieve through your targeted advocacy or awareness-raising campaigns or initiatives? How will the proposed activities contribute to achieving the project's objectives, and what impact are they expected to have on public debate, policy discussions, and the rights of LGBTQI+ communities?

Please identify the main risks related to the proposed research and targeted follow-up activities (e.g. security, operational risks) and describe the measures you will take to mitigate them

#### IV. Timeline/Action Plan

Please indicate the main activities and indicative timeline for carrying out the proposed research and follow-up targeted advocacy or awareness-raising campaigns or initiatives actions linked to the research. The first row is provided as an example. Please add as many rows as needed.

	Activity	Output	Period of implementation	Location	Means of verification
<i>e.g. 1</i>	<i>A1. Conduct focus groups to collect data.</i>	<i>2 focus groups organized (with 10 people in total)</i>	<i>April 2026 (1 month)</i>	<i>In person, in the region XYZ</i>	<i>1. Anonymized attendance sheet 2. Agenda of the focus group</i>
1.					
2.					
3.					

## V. Budget Form

Please fill in the Budget Form (in Excel). Please note that it's a provisional budget. The final version will be discussed and agreed with selected applicants during the contracting process
