Certificate of Merit

Video submissions are due in early February. For most students, we will make the videos in the studio and I will take responsibility to upload them along with scans of musical scores.

Theory tests will also take place online during early February (in your home).

Sight-Reading videos can be made either at home or in the studio.

I may be scheduling meetings with CM students over the Thanksgiving and Christmas break and/or Flex week for Theory lessons or to get a head start on making our videos.

 *Many thanks . . .*

to you parents for keeping practice consistent at home. This is a key factor in your child's progress! I appreciate the opportunity to be your child's teacher and nurture a love for making music.

As always, please feel free to contact me if you have any questions.

Happy Thanksgiving!
