12. Do not add something to the Power Wheels vehicle that could cause the child to not be allowed in the derby. Remember that THIS IS FOR KIDS. You would have a disappointed child on your hands if they aren't allowed to run.
13. All Power Wheels vehicles will be checked in and then impounded until time for their event.
14. One parent MUST accompany the child to the pit area. One parent may be allowed on the track with the child during the event.
15. Each heat will be given a time limit.
16. If a child gets out of the Power Wheels vehicle during the event, that child is disqualified.
17. If officials feel that a vehicle is unsafe or does not fit in the rule set, the entry will be loaded. The officials have the final say.

PARENTS: Please don't forget that this is for fun. This is a great way to teach your child good sportsmanship. Although we will have trophies this year, we want the kids to have fun and get used to being on a track so they can keep derbies alive when they grow up. After all, they are the future of this sport.
