"Getting to Know You" Presentation
Computer Studies 10

In this assignment, you will use Canva to create a visually engaging slideshow that introduces you to the class.

Instructions:

1. Your slideshow should consist of approximately **10-15 slides**. The presentation itself should take no more than **5 minutes**

2. Please make an account at http://www.canva.com with your school email address (student#@learn.vsb.bc.ca). Once you get your account, you can unlock Canva Pro features by using this join link.

3. Watch this short video on how to use Canva to make a slideshow: https://www.youtube.com/watch?v=5FN4Cu70b5Y

4. Each slide should have a **clear** and **vibrant design**. Incorporate graphics and limit the amount of text to ensure clarity and engagement (6-8 words max per slide).

5. Include a variety of topics to showcase your **interests**, **personality**, and **background**.

6. Be prepared to present your slideshow to the class. We will have 3 classes to work on this. If the entire class is working hard and needs an extra block, I will grant an extension.

Slide Suggestions: Include an introduction slide with your name, and a conclusion slide thanking the audience! Also include around 13 more slides all about you. Here are some suggestions:

1. Favourite Movies/TV Shows. Include vibrant posters or screenshots.
2. Favourite YouTubers and YouTube niches.
3. Favourite Games. Digital (video games) or physical (like chess). Show us what the game looks like.
4. Favourite Books/Authors. Show book covers or related images.
5. Favourite Music/Artists. Use album covers or concert images.
6. Hobbies and Interests. Use icons or images related to your hobbies.
7. Favourite Sports/Teams/Athletes. Include team logos and/or action shots.
8. Favourite Pokémon. Who's your go-to Pokémon?
9. Travel Adventures. Include photos from trips you've been on.
10. Pets/Stuffies. Include cute pictures of your pets.
11. Personal Achievements. Use symbols of your accomplishments or photos of your achievements.
12. Family and Friends. Include group photos or memorable moments.
13. Goals/Dreams/Aspirations. Use inspiring images or quotes.
14. Fun Facts. Share interesting or quirky facts about yourself, using images related to each fact.

Slide Design Criteria

- Have a consistent and attractive design throughout your presentation.
- Limit text to key words or captions (6-8 words max per slide).

- Use large, easy-to-read fonts.
- Incorporate high-quality graphics.
- Use video clips sparingly, if at all.
- Avoid "edgy" humour and inappropriate content.
- Maintain consistency in design throughout the presentation.
