

## **Send Day 0:**

Thank you for doing the MK Skin Care Field Trial with me! I can't wait to get your opinion! Here are the details for tomorrow:

\*Use products exclusively for 5 days as instructed, and text or call with any questions!

\*The products are very concentrated... a little goes a long way! You can probably get 2 uses out of each sample... am/pm. Pro tip is to use a straight pin or safety pin (that's alcohol swabbed, so it's sterile) to stick in the samples to squeeze it out instead of tearing sample open.

AM: cleanse, exfoliating scrub (every other day 2-3 times week am or pm), then normally there is a toner but we don't have a way to send a sample), then moisturizer.

PM: cleanse and moisturizer.

Save the Charcoal mask sample after cleansing on Day 2 and 5(AM or PM). Be sure you don't do it on the same day that you do the exfoliating scrub leave a day or two in between.

## **Send Day 1:**

Just a reminder tomorrow is charcoal mask day!

After cleansing your skin, pat dry and apply a thin layer of the charcoal mask to your face leaving out your eyes and lip area. Allow to set for 20 minutes and then rinse off. (Normally, you'd do toner next, but we don't have a sample of the that step). Follow with moisturizer.

## **SEND NOTHING ON Day 2**

## **Send on Day 3:**

Hey, there!!! We are on day 3....you should have the regimen down pat and should have completed the exfoliation treatment yesterday. Give me one word to describe your skin after the first few days? Do you have any questions?

## **Send on Day 4:**

Just a reminder tomorrow is day 5...charcoal mask day (can be done a.m. or p.m.)! After cleansing your skin, pat dry and apply a thin layer of the charcoal mask to your face leaving out your eyes and lip area. Allow to set for 20 minutes and then rinse off. Follow with the rest of your routine.

## **SEND NOTHING ON Day 5**
