- **Full upfront payment required**—*except* for commissions that cost >\$50.
 - Commissions that cost >**\$80 // 100RM** will require an upfront payment of **\$30//RM40**. The remainder must be sent after the initial sketch has been approved.
- Any additional details not included in the standard pricing list must be negotiated with me beforehand and may cost you extra.
- If sketches exceed 3 tries, there will be a \$3//RM4 charge for each subsequent sketch.
- No refunds :(

- Please do not rush me, I may be working on other projects or commissions at the same time. I will keep you updated on the progress.

Procedure:

TLDR:

Contact me through my socials (TikTok or Discord) or order directly through my Ko-fi (ko-fi.com/jazenym) → Tell me what you want → Payment (*full upfront for \$30 // 40RM upfront for orders >\$80 // 100RM*) → initial sketching (*maximum 3 retries, \$3//4RM charge for each subsequent sketch*) → pick a sketch you want for the final product [send the rest of the payment for *orders >\$80 // 100RM*] → I start drawing. → I send you the finished piece!

1. 📱 *Contact me* through TikTok (@jazenym) or Discord (jaze3847)—you can also order directly through Ko-fi (ko-fi.com/jazenym). But please note that

Discord (jaze3847)

local prices (for SG and MY) are not available on Ko-fi, so you will have to contact me directly.

2. 📝 *Details!*—Which commission are you interested in? What character would you like me to draw? Tell me more—is the character tall, short, curvy, angular, etc. (It will help me get the proportions right). Are there any special requests, details, poses, etc. that you would like in your commission? If you do not provide any requests, it will be up to me to create the composition.
3. Once I accept your commission, I require a *full* upfront payment.
Commissions that cost >\$80 // 100RM will have a 2-part payment: 1. an upfront payment of \$30 // 40RM; 2. The remaining amount should be paid after the sketch has been finalised. Please note that *I WILL NOT START UNTIL PAYMENT IS RECEIVED.*
IMPORTANT NOTE: The partial upfront payment feature is not available on Ko-fi if you order through the commission page. You may need to pay through the custom tipping feature, but it is recommended that you pay me through PayPal or Stripe.
4. Once I receive your payment, I will begin the **initial sketch**. If you don't like the initial sketch, you have two more retries, which gives 3 sketches in total. After the third, I will not do any more sketches. You would have to pick the best one of the three, which I will then use as a base for the final product. If you are insistent, you may pay \$3//RM4 per new sketch.
5. (This step is only for people whose **orders are >\$80 // RM100**) After the initial sketch is approved, you need to pay the rest of the amount due before I get started.
6. Wait! ⏳⏳ Wait times may vary depending on the complexity of the drawing and my schedule. If there are any delays, I will let you know beforehand. Typically, commissions take *around 2 weeks*—but don't fret! I'll send you updates through Discord (or TikTok if the photo option is available).
7. Once I'm done, I'll send you your drawing! ^^

Progress updates will look like this:

sketch → flats → final
