

Investment Research at DAO Maker M/F (February 2022)

DAO Maker is the growth solution provider and blockchain launchpad behind some of the most successful tokenized projects including Orion Protocol, My Neighbor Alice, Orion Money, GameFi and more Recently Victoria VR. Our team is looking for a candidate to fill a gap in our Finance team and help us to set the trend for the crypto industry.

We are looking to hire an investment analyst to join our finance department. You will take responsibility for looking and analyzing trends of the industry, developing reports and assessing future incubated projects. To do well in this role you need a very fine eye for details, previous experiences as an analyst, and a deep understanding of the popular crypto tools and databases.

Who we're looking for :

- > Technical background in engineering or computer science is preferred but not a requirement
- > Past experiences in investment research is highly preferable
- > A "doer" and a team player with strong communication skills
- > Ability to work autonomously, on multiple projects at the same time, under tight deadlines
- > Previous experiences in a crypto company is a plus, or at least a keen interest

Skills & qualifications :

- > Fluent in English, other languages are a plus
- > Proficiency in statistical packages such as Excel & SPSS
- > Python, MATLAB, SQL and R skills for data analysis and data visualization are a plus
- > A strong understanding of smart contracts, crypto-economics and blockchain technologies generally
- > A Robust analytical skills that allow for identifying trends and assessing data in the crypto ecosystem
- > Ability to aggregate information from a variety of sources and distill data into informed insights and conclusions

With the DAO Finance team, you will have to :

- > Conduct deep research and analysis on industry-related topics
- > Take both a qualitative and technically quantitative approach to research projects
- > Assess pending projects according to multiple frameworks
- > Present ideas and analysis regularly to the broader finance team
- > Identify and reason emerging trends in the space, and distill appropriate investment themes
- > Develop reports and analysis for the decision maker in the company

For 6 months, Remote or based in Prague, Czech Republic. With a very attractive salary, other benefits can be considered after the trial period.

If you recognize yourself in this role then don't hesitate to send your resume and cover letter at serge.petroff@daomaker.com.
