

Jan 18, 2024 Garfield Online Community Council Meeting

Agenda:

- Meeting time: 2:00 P.M.
- Google Meet
- Discuss the need for an Amendment to the 2023/2024 school plan.

Meeting Notes:

Meeting Began: 2:00 P.M.

CC present: Kailee Washer , Nicole Austin , Amanda Lewis, Sarah Oyler, Danette Verde, Annie Begley

Danette Verde reported that only \$2,000 of the \$45,000 allocated amount for field trips have been spent from November-January.

Based on that information Chair, Kailee Washer said, “ Right now we’ve got a significant chunk left in our field trip fund and people don’t seem as anxious to use it as we had thought they would be. We should amend the plan and keep \$10,000 in our field trip fund and then use the rest for getting our wonderful teachers our most used curriculums so they can better help our students and know exactly what we’re teaching. I personally feel it would be helpful as teachers are checking in and helping tutor if they have the curriculum in front of them. It would also help parents when looking for alternative resources to help their children.”

Kailee made the motion to create an amendment to the 23-24 plan

Motion passes 6-0

Meeting adjourned 2:35 P.M
