2. Golf N Golf Quick Verdict

Yes — this is one of the most distinctive rounds in Bangkok. Silverlake Links (formerly Lakewood Links) relaunched under new management in October 2025 with a links-style layout, tech-integrated golf carts, and full day-and-night golf under floodlights. Its signature holes are a genuine one-of-a-kind: twin par-3 island greens shaped like a crab and a starfish, sharing a tee box in the middle of a lake. With water in play on 16 of 18 holes, it rewards accurate golfers more than powerful ones — higher handicappers may prefer the sister course, Lakewood Golf & Country Club, instead.

4. Overview

Silverlake Links Golf Club, formerly known as Lakewood Links, relaunched in October 2025 under new management by Absolute Golf Services (AGS) as one of Bangkok's newest and most talked-about golf destinations. It sits in Samut Prakan along the Bangna-Trad corridor, about 30 minutes from downtown Bangkok and just 10 minutes from Suvarnabhumi Airport.

The course plays a genuine links style, rare in Thailand: open, rolling terrain wrapped around lakes, sandy waste areas, and dune-like mounding, with firm, fast fairways that reward smart shot-making over raw power. Water comes into play on 16 of the 18 holes, and the multi-tiered greens punish anything but a well-judged approach.

The course's calling card is a pair of holes unlike anything else in the region: the par-3 8th and 16th share a single tee box and sit side by side in the middle of a large lake, their greens shaped like a crab and a starfish and reachable only by narrow footpaths. Paired with state-of-the-art floodlighting for night golf and hole-by-hole data built into every cart, it's a course built as much for the experience as for the golf itself.

9. James' Recommendation

“Silverlake Links is the one I send people to when they want a round they'll actually talk about afterward. The crab and starfish greens have to be seen to be believed — two island greens side by side in a lake, connected only by footpaths. It's a proper links test though, water almost everywhere, so if your game isn't quite dialed in yet, their sister course Lakewood next door is the gentler option. And try the night golf if your schedule allows — it's a completely different atmosphere under the lights.” — James

10. Golf N Golf Recommendation

- Who it suits best: confident golfers wanting a distinctive, photogenic round, and anyone keen to try night golf.
- Courses to pair with: Summit Windmill Golf Club — the only two courses in this guide offering proper night golf under floodlights, ideal for golfers who want to extend a golf day past sunset.
- Suggested itinerary: Day 1 arrival, afternoon or night round at Silverlake Links; Day 2 a Bangkok championship course; Day 3 Summit Windmill for a second night golf experience before departure.
