

This privacy policy governs your use of the software Loans and more for Android mobile devices that was created by VilFix.

No data is collected or shared from VilFix. The permission to access the photo gallery is related to the option for personalizing the loans and incomes and expenses. This function just makes a link to the picture in the device, without modifying the original file or sharing it.

### **Data collected by third parties**

Please read the next privacy policies to check if in some way there is data collected third parties:
