

Day & Date

Class Name

Teacher's Message

Task

Individual teachers can personalize their lessons by recording their own SHORT (2-ish min) video to introduce the lesson.

Do Now / Warm Up

[Type or link the student task here]

**this includes the following components from the Asynchronous Lesson Cycle Expectations:*

1. **Materials Needed** for Today's Lesson - 10-15 seconds
2. **Frame the Lesson / Today's Objective** - 15- 30 seconds
3. **Do Now**

Instruction / Lesson Material

Task

Link to pre-recorded video lesson or other asynchronous instructional component(s) used by all teachers to maintain quality and continuity.

[Type or link the student task(s) here]

This video contains the following components from the Asynchronous Lesson Cycle Expectations:*

1. **Direct Instruction (I Do) Pause Points** for student engagement
2. **Scaffolded Practice (We Do)** - Includes anticipated mistakes, misconceptions, or missteps.
3. **Pause Points** for student engagement
4. **Proof of Learning** Expectation
5. **Launch** into independent Practice (You Do)

**this prerecorded video may be a teacher created video, or instructional video resource from district adopted resources.*

Independent Practice

[Type or link the student task here]

This is the opportunity for students to continue to work with lesson material, practice new skills, respond, engage, etc.

Proof of Learning

[Type or link the student task here]

May be the same as Independent Practice Task, or may be something different like an exit ticket, written or recorded response/reflection, etc.

Extension or Enrichment or Supplemental Resources

Additional opportunities provided for enrichment, extension or supplements for the lesson material. This component is not required daily.
