## Important Notes:

Put information regarding carpooling, locations, et cetera up in here.

YellowNukaCola: I will be unable to attend the Friday meetup as I will be job hunting,

but the Sunday is probably a go. I can get to Fountain Square by bus but if we move locations, I would need to hitch a ride with somepony. Saturday is probably out of the question. The reasoning behind the job hunting is that I have limited funds so we will see.

*"Don't worry. We'll be staying downtown for most of the day, and we shall set up camp at the park. The farthest we'll be going is Newport on the Levee for Hofbrahaus and Gameworks." ~Prison*

Evilpoptarts: I am offering my services for rides in the greater cincy area. I live in Middletown so just take that into account when thinking of when I may arrive :D. Also I am Heading to their house on Friday most likely.

## Comments:

Leave a little shoutout, knucka'! Make sure to leave your name.

**Prison:** This is a sample comment! Also, I like marmalade!

**MyLittleInsomnia:** Don't rape me if I go, Prison.

Atticus: Forward me some details via steam or email, and I should be able to make it, assuming there is no conflict with work.

**SoiPony:** Same thing for me, I need a little more info just so I can arrange transportation.

**Topaz:** Agreeing with Atticus and SoiPony here. Arranging it against school however...That's probably going to be hard.

**Kittenshy:** One of you hookers pick me up and I'll go. Lawrence, KS - you know you want to.

**Mic:** Pay for my plane ticket and I'll go. California. :I

**Tangus:** Maybe.

**Silvertongue:** Definitely want, but probably cannot have T\_T

**YellowNukaCola:** I would love to meet some bronies in my neck of the `nati! Or just any bronies in the city for that matter!

**Aussie:** I probably can't go to the meetup. BUT, where are you guys gonna be on the 24th at 9:30 PM? I'm gonna be at Grammer's seeing Cut Copy. I'd love to say hi to you guys!

**Omnipony:** Wish I could be there, party hard!

**FigN01:** I got EXTREMELY last minute notice on being able to go. Didn't even look at this doc until then... I'll be around Ren at 10:30.
