

Session 5 Craft Guide

Making a gospel cube (4-6 years old)

Instructions

Learn how to share to your friends about Jesus with the Gospel Cube!

Get your teacher to help you cut out the cube on a construction paper and paste tape on the flaps.

Next, draw the 6 different items onto the boxes with the correct colours.

Learn what each of these items mean!

Fold along the dotted lines and finally, use the tape on the flaps to stick the sides together to get your Gospel Cube!

Now, go and share to your friends more about Jesus!
