

VCC curlers at U18 championships in Richmond

By Meredith McCullum

Over the holidays, VCC curlers Meredith McCullum, Erin Fitzgibbon, Taj McKenzie and Isaac Lauzon competed in the BC U18 curling championships against the best junior teams in the province. All four curlers came up through the VCC junior program, and are in their second season together in the 453 Friday night league.

On the men's side of the competition, Taj and Isaac (Team McKenzie), coached by VCC curler, Brian Fitzgibbon, battled it out in the semi-final against Team Blaeser, but fell just short of the win, taking home the bronze medal.

On the women's side, Meredith's (Team Duncan) silver medal finish was enough to qualify for nationals. She and her team will be competing in Timmins Ontario, from February 4-11. Erin (Team Wong) finished in fourth place and her team will be competing at the BC U21 Curling Championships in a few weeks from January 24-29 in Duncan. We wish both teams the best of luck!
